WHITE BROS. ROSE CORP.

MEDINA, N. Y.

1936

Mrs. Frank Schramm

Frank Schramm

U. S. Plant Patent No. 72

Mrs. Frank Schramm is a bright pink sport of Briarcliff originated by Frank Schramm of Crystal Lake, Illinois. This rose is being grown extensively by the Premier Rose Gardens, at Des Plaines, Illinois, and is giving wonderful satisfaction. It is a brighter, deeper color than Briarcliff, with a longer bud. It has all the appearances of being equal if not a better producer than its parent.

We believe that this rose will eventually replace Briarcliff and we expect to plant quite heavily with it ourselves. It will be grown under license as is the case with other patented varieties and at the prevailing prices every good rose grower should plant some of this new rose.

All Plant Patent rights of this rose will be null and void after the third year, and all bench plants can be sold and do not have to be destroyed.

Carmelita

Frank Spanbauer

U. S. Plant Patent No. 91

Carmelita, a new red rose which we introduced last year, has made many friends. Practically all who planted it are growing it with satisfaction. We believe that we are not extravagant in making the claim that Carmelita is the outstanding red rose of the present time. It is a good grower, a good color, and opens into a large fragrant rose.

PATENTED

Better Times

Jos. H. Hill Co.

U. S. Plant Patent No. 23

Better Times, the bright cerise sport of Briarcliff, has now been in production for two record-breaking years. With all the good growing qualities of its famous parent, everyone who has planned this variety is well pleased. There is going to be a substantial increase in the planting of Better Times this year.
